Saint Mary's Catholic School

St. Mary's hosts a parish school for boys and girls in Kindergarten through Grade Eight from Mansfield and its surrounding communities. The school was established in 2002, and graduated its first class and achieved accreditation by the New England Association of Schools and Colleges in 2007. Here, St. Mary's "stars" are loving to learn and learning to grow.

A full complement of curricular and extra-curricular programs is offered at elementary and middle school levels. The academic experience is integrated and supported by resource and enrichment services. It is also complemented with art, music, physical education, technology, and service programs based on the Corporal and Spiritual Works of Mercy. The school day program is grounded in faith and enhanced by Extended Day and Enrichment Programs. These include world language, instrumental and choral music, intramural and division and league champion competitive sports, theatrical productions, Student Council and more.

Invitation: The school invites prospective students and families to explore the opportunity of Catholic education, prospective teachers to consider a teaching ministry, and interested parishioners to offer their time, talent, and treasure to serve the school's mission through the Friends of St. Mary's Catholic School Volunteer and Donor Program.
